## Q & A

### ➤ Is there a Research Support Office at your university?

Yes, there are support units at all ELLS-Universities, sometimes even both at central and at faculty level. The names might vary: Grants Office, EU-Office, Research Support ....

### ➤ What does a Research Support Office do?

Gives advice on funding programmes & eligibility rules, read proposals, do budget checks, give in house seminars & lectures on project funding ....

## What we offer

- Exchange & mutual information on research funding opportunities for ELLS-universities
- Facilitating new partnerships in research between ELLS-universities
- Supporting ELLS-applications in research programs
- Bridging teaching and research in made-to-measure sessions
- Join forces in advocacy activities for research funding policies; i.e. towards the EU
